

Certified Public Accountants

Updated Payment Preferences Effective March, 2020.

At KWC offices we have implemented social distancing and many of us are working remotely. The offices are open to receive mail and deliveries, we are available by phone or e-mail and you may use our client portal to send us information electronically.

We are committed to continue helping our clients and reduce financial stress during this challenging time. To provide instant and early credit relief and to help our clients reserve cash flow to pay their employees and suppliers, we are offering payment plans for 3, 6, 9 or 12 months for balances \$5,000 and above.

**Need More Time
To Pay? We are
happy to offer you
the flexibility to
pay over time.**

We offer Payment Plans to pay your invoices in 3, 6, 9 or 12 fixed monthly installments. To make this option even more accessible to our clients, we are waiving all application fees for payment plans until April 15th, 2020.

Avoid Paper Checks

No need to take a trip to the post office. To avoid any possible contamination, please pay by ACH and refrain from sending paper checks at this time.

Pay now

Pay Online

Our office is working remotely. Please use our online payment portal to ensure timely payment.
