

KOSITZKA, WICKS & COMPANY

Government Contracting Services

Firm profile

Kositzka, Wicks and Company (KWC) has been providing high quality, personal service since 1983. With an extensive client base that includes Small Business Certified, 8(a), Women-Owned, and Service Disabled Veteran Owned businesses, we have the expertise required to navigate the intricacies of the federal contracting space.

We use a dedicated team of professionals who are knowledgeable, innovative and committed to helping clients achieve business and financial goals. Our staff have decades of combined experience working for government contractors in accounting, financial, and consulting roles.

We pride ourselves on our highly qualified team, unparalleled responsiveness and consistent superior service. With KWC, you will find that we are more than just your accountant and trusted advisor, but your business partner as well.

Our Services

KWC recognizes that the financial and operating needs of government contractors extend beyond standard accounting practices. Our firm is equipped to provide services to government contractors in these key areas:

- Accounting system design, implementation, consulting and training
- FAR and CAS compliance
- Indirect rate structure and analysis
- DCAA audits (pre-award, post-award, incurred cost submission)
- Incurred Cost Submission preparation or review
- Written policies and procedures (timekeeping, accounting, and operational)
- Business process reengineering and best practices
- Budgets, forecasts, and cash flow analysis
- Price proposals
- Contract closeouts
- GSA IFF reporting and withholding requirements
- Accounting, audits, reviews and compilations
- Tax planning and compliance
- Business valuations
