## Pricing

\$80 annually per lease\*

*\*A savings of \$35 per lease off standard rates*

As we are adopting this software firmwide, we are able to pass on our savings as a major vendor directly to you. This means we charge only \$80 annually per lease (a savings of \$35 per lease off standard rates). As an existing client, you will be billed once per year for this software as part of our ongoing provider relationship. Additionally, should you require our assistance with implementation of the new standard, we will bill your implementation fees at our standard hourly rates, as noted below.

Principal	\$265 - \$390
Manager/Controller	\$210 - \$330
Supervisor/Senior	\$155 - \$190
Staff	\$90 - \$150
