2023 TAX ORGANIZER

Kositzka, Wicks and Company A Professional Corporation

> T O

The enclosed tax organizer was prepared specifically for you and is designed to assist you in the accumulation of your tax data. Included is an engagement letter, which sets forth the nature of our mutual responsibilities concerning the preparation of your return. Please sign the letter and return it with your completed Organizer.

Returns are prepared in the <u>order received</u>. In many cases you will not have all of your tax material until late March or early April, especially K-1's from partnerships, trusts, and S corporations. These items can be remitted to us separately in order to not delay the preparation of your returns. We cannot guarantee completion of your return by the filing date unless we have your information, with the aforementioned exception, by **March 11, 2024.**

If an extension of the time is required, any tax due with a return must be paid with that extension. Any amounts not paid by the filing deadline may be subject to penalties and/or interest.

We appreciate the opportunity to provide our services on your behalf and look forward to working with you. If we may be of further assistance, please contact us at your convenience.

Re: Client No.

This letter is to confirm and specify the terms of our engagement with you and to clarify the nature and extent of the services we will provide. In order to ensure an understanding of our mutual responsibilities, we ask all clients for whom returns are prepared to confirm the following arrangements.

We will prepare your 2023 federal and requested state income tax returns from information that you furnish us. The filing deadline for these tax returns is April 15, 2024. In order to meet this filing deadline, the information needed to complete the returns must be received in our office no later than March 11, 2024. If an extension of time to file a return is required, any amount that may be due with the return must be paid with that extension. Any tax not paid by the filing deadline may be subject to interest and late payment and/or late filing penalties.

For returns that are extended beyond April 15, 2024, in order to meet the extended filing deadline of October 15, 2024, any information needed to complete your returns must be received in our office no later than August 15, 2024. A reasonable amount of time will be given for receipt of Schedule K-1s that are normally completed around September 16, 2024.

To assist you in gathering and organizing the necessary information required for the preparation of your individual income tax returns, we are furnishing you with a tax organizer. Providing us with your completed tax organizer will help ensure that you are not overlooking important information that may be necessary for complete and accurate returns, as well as may help minimize our fees. At a minimum, we require that you return the completed questionnaire pages. We will not audit or otherwise verify the data you submit, although it may be necessary to ask you for clarification of some of the information.

It is your responsibility to provide all the information required for the preparation of complete and accurate returns, including but not limited to, providing us with the information necessary to identify (1) all states and foreign countries in which you "do business" or derive income (directly or indirectly) and (2) the extent of business operations in each relevant state and/or country. You should retain all the documents, cancelled checks, and other data that form the basis of income and deductions. These may be necessary to prove the accuracy and completeness of the returns to a taxing authority. You represent that the information you are supplying to us is accurate and complete to the best of your knowledge and that the expenses for meals, travel, business gifts, charitable contributions, dues and memberships, and vehicle use are supported by records as required by law.

You are responsible for the accuracy and completeness of all data, information and representations provided to us, whether written or oral, for purposes of this engagement. You release and indemnify our firm and its personnel from any and all claims, liabilities, costs and expenses attributable to any misrepresentation or omission by you or your agents.

We will use our professional judgment in preparing your returns. Given the magnitude of recent tax law changes including, but not limited to, modifications to certain economic tax relief provisions that were part of recent U.S. stimulus packages, as well as some new tax concepts introduced in the law, additional stated guidance from the taxing authorities and possibly from Congress in the form of technical corrections or revisions to certain income tax provisions may be forthcoming. We will use our professional judgment and expertise to assist you given the guidance as currently promulgated at the time our services are rendered. Subsequent developments issued by the applicable tax authorities may affect the information we have previously provided, and these effects may be material. Whenever we are aware that a possibly applicable tax law is unclear or that there are conflicting interpretations of the law by authorities (e.g., tax agencies and courts), we will share our knowledge and understanding of the possible positions that may be taken on your return. In accordance with our professional standards, we will follow whatever position you request, as long as it is consistent with the codes, regulations, and interpretations that have been promulgated. In the event, however, that you ask us to take a tax position that in our professional judgment will not meet the applicable laws and standards as promulgated, we reserve the right to stop work and shall not be liable for any damages that occur as a result of ceasing to render services.

You agree that our firm is not responsible for a taxing authority's disallowance of deductions or inadequately supported documentation, nor for resulting taxes, penalties, and interest. You have the final responsibility for the income tax returns and, therefore, you should review them carefully before you sign them.

The law provides for a penalty to be imposed where a taxpayer makes a substantial understatement of their tax liability. Taxpayers may seek to avoid all or part of the penalty by showing (1) that they acted in good faith and there was reasonable cause for the understatement, (2) that the understatement was based on substantial authority, or (3) that the relevant facts affecting the item's tax treatment were adequately disclosed on the return. You agree to advise us if you wish disclosure to be made in your returns or if you desire us to identify or perform further research with respect to any material tax issues for the purpose of ascertaining whether, in our opinion, there is "substantial authority" for the position proposed to be taken on such issue in your returns.

Your returns may be selected for review by the taxing authorities. Any proposed adjustments by the examining agent are subject to certain rights of appeal. In the event of such government tax examination, we will be available upon request to represent you and will render additional invoices for the time and expense incurred.

Our engagement is limited to the tax work specifically set forth in this letter and does not encompass any other tax services including, without limitation, responding to any federal or state notices with regard to this engagement or any other tax year filings, any sales and use tax, property tax, business license or payroll preparation services. If you believe a state/local return is missing from the final return package provided to you, you are responsible for communicating to us any additional state/local filings that may be needed.

You are responsible for the design, implementation, and administration of applicable policies that may be required under the Affordable Care Act, any state-specific health mandate, or any state-specific retirement plan mandate for any businesses included in your individual return. As we are not rendering any legal services as part of our engagement, we will not be responsible for advising you with respect to the legal or regulatory aspects of your business(es)' compliance with the Affordable Care Act, any state-specific health mandate, or any state-specific retirement plan mandate.

Kositzka, Wicks and Company will not be responsible for advising you with respect to classification of employees versus independent contractor status as part of our services. If you have any questions with such issues, we strongly encourage you to consult with legal counsel experienced in employment practice matters.

Starting in 2024, the Corporate Transparency Act ("CTA") mandates certain entities (primarily small and medium-size businesses) created in or registered to do business in the United States report information about their beneficial owners—the individuals who ultimately own or control a company—to the Financial Crimes Enforcement Network ("FinCEN"). If your individual return includes a business, you are responsible for compliance with the CTA, if applicable, and for ensuring that any required reporting of beneficial ownership information is timely filed with FinCEN as required by the CTA. As we are not rendering any legal services as part of our engagement, we will not be responsible for advising you regarding the legal or regulatory aspects of your compliance with the CTA, nor are we responsible for the preparation or submission of beneficial ownership information reports to FinCEN. If you have any questions regarding compliance with the CTA, including but not limited to whether an exemption may apply to your business or to ascertain whether relationships constitute beneficial ownership under CTA rules, we strongly encourage you to consult with qualified legal counsel experienced in this area.

If any tax return prepared in connection with this engagement is filed using the married filing joint filing status, both spouses are deemed to be clients of the firm under the terms of this engagement. Both individuals acknowledge that there is no expectation of privacy from the other concerning our services. We are at liberty to share with either of you, without prior consent of the other, documents and other information concerning the preparation of your returns.

Virtual Currency

The Internal Revenue Service (IRS) considers virtual currency (e.g., Bitcoin) as property for U.S. federal tax purposes. As such, any transactions in, or transactions that use, virtual currency are subject to the same general tax principles that apply to other property transactions. If there was virtual currency activity during the tax year, there may be tax consequences associated with such transactions, and there may be additional foreign reporting obligations.

You agree to provide us with complete and accurate information regarding any transactions in, or transactions that have used, virtual currency during the applicable tax year. Please ask us for advice if you have any questions regarding the type of records required for virtual currency transactions.

Foreign Related Reporting Requirements

There are numerous different reporting requirements related to foreign matters. Failure to timely and adequately disclose the required information to the U.S. Department of the Treasury may result in substantial civil and/or criminal penalties.

- FINCen Form 114: Report of Foreign Bank and Financial Accounts (FBAR):
 Any person or entity subject to the jurisdiction of the U.S. having a financial interest in or signature or other authority over a bank, securities, or other financial account(s) in a foreign country having an aggregate value exceeding \$10,000 on any day of the year shall report such relationship. This informational report is due April 15th. An extension up to six months is available.
- Statement of Specified Foreign Financial Assets (Form 8938): Individuals with interests in specified foreign financial assets with an aggregate value greater than the threshold amounts are required to disclose information with respect to each asset. Specified foreign financial assets include, but are not limited to, an interest in a foreign estate or trust, foreign held/issued brokerage accounts, life insurance policies, and foreign retirement accounts. This requirement is a part of your Form 1040. In addition to substantial penalties for failure to disclose, failing to file a required Form 8938 could cause an unfavorable extension of the statute of limitations for the tax year.

The reporting threshold amount for single and married filing separate filers is \$50,000 on the last day of the year or more than \$75,000 at any time during the tax year. These amounts are doubled for married taxpayers filing a joint return. Taxpayers living outside of the U.S. have different thresholds.

- Other Reporting Requirements may include, but are not limited to:
 - o Form 5471 For officers, directors or shareholders with respect to certain foreign corporations;
 - o Form 926 For transferors of property to a foreign corporation;
 - Form 3520 or 3520-A For an interest in a foreign trust and receipt of certain large gifts or bequests from certain foreign persons;
 - o Form 8865 For an interest in a foreign partnership.

Failure to timely file the appropriate forms with the U.S. Department of the Treasury and the IRS may result in substantial civil and/or criminal penalties. By your signature below, you accept responsibility for informing us if you believe that you may have foreign reporting requirements and you agree to timely provide us with the information necessary to prepare the appropriate form(s). We will not accept liability for penalties associated with the failure to file, or untimely filing, of any foreign reporting forms if the information needed to prepare the required forms is not provided to our firm at least 30 days in advance of the respective filing date(s).

Fees

Fees for our services will be at our standard rates plus computer charges and out-of-pocket expenses. Payment of fees for these services are due when invoices are rendered and interim invoices may be submitted as work progresses and expenses are incurred. Invoices remaining outstanding will be assessed a service fee equal to one-half percent (½%) per month beginning 30 days from the date of the initial invoice. If we have not received payment within 120 days of our invoice, all work will be suspended until your account is brought current. You acknowledge and agree that in the event we stop work or withdraw from this engagement as a result of your failure to pay on a timely basis for services rendered as required by this engagement letter, we shall not be liable for any damages that occur as a result of our ceasing to render services.

Retention Policy

It is our policy to keep records related to this engagement for eight years. However, Kositzka, Wicks and Company does not keep any original client records, so we will return those to you at the completion of the services rendered under this engagement. It is your responsibility to retain and protect your records (which includes any work product we provide to you as well as any records that we return) for possible future use, including potential examination by any government or regulatory agencies. Kositzka, Wicks and Company does not accept responsibility for hosting client information; therefore, you have the sole responsibility for ensuring you retain and maintain in your possession all your financial and non-financial information, data and records.

By your signature below, you acknowledge and agree that, upon the expiration of the eight year period, Kositzka, Wicks and Company shall be free to destroy our records related to this engagement.

Other Matters

In connection with this engagement, we may communicate with you or others via email transmission. We take reasonable measures to secure your confidential information in our email transmissions. However, as emails can be intercepted and read, disclosed, or otherwise used or communicated by an unintended third party, or may not be delivered to each of the parties to whom they are directed and only to such parties, we cannot guarantee or warrant that emails from us will be properly delivered to and read only by the addressee. Therefore, we specifically disclaim and waive any liability or responsibility whatsoever for interception or unintentional disclosure or communication of email transmissions, or for the unauthorized use or failed delivery of emails transmitted by us in connection with the performance of this engagement. In that regard, you agree that we shall have no liability for any loss or damage to any person or entity resulting from the use of email transmissions, including any consequential, incidental, direct, indirect, or special damages, such as loss of sales or anticipated profits, or disclosure or communication of confidential or proprietary information.

We may from time to time, and depending on the circumstances and nature of the services we are providing, share your confidential information with third-party service providers, some of whom may be cloud-based, but we remain committed to maintaining the confidentiality and security of your information. Accordingly, we maintain internal policies, procedures and safeguards to protect the confidentiality of your personal information. In addition, we will secure confidentiality terms with all service providers to maintain the confidentiality of your information and will take reasonable precautions to determine that they have appropriate procedures in place to prevent the unauthorized release of your confidential information to others. In the event that we are unable to secure appropriate confidentiality terms with a third-party service provider, you will be asked to provide your consent prior to the sharing of your confidential information with the third-party service provider. Although we will use our best efforts to make the sharing of your information with such third parties secure from unauthorized access, no completely secure system for electronic data transfer exists. As such, by your signature below, you understand that the firm makes no warranty, expressed or implied, on the security of electronic data transfers.

The taxpayer authorizes that any and all information furnished to us for or in connection with the preparation of tax returns under this engagement letter may, for a period of up to five years from the date of this engagement letter, be disclosed to third parties, engaged directly or indirectly in providing tax planning or preparation of tax returns. Disclosures under this paragraph may consist of all information contained in tax returns. If the taxpayer wishes to request a limited disclosure of tax return information, the taxpayer must inform us.

In addition, in the event our firm or any of its employees or agents is called as a witness or requested to provide any information whether oral, written, or electronic in any judicial, quasi-judicial, or administrative hearing or trial regarding information or communications that you have provided to this firm, or any documents and workpapers we prepare in accordance with the terms of this agreement, you agree to pay any and all reasonable expenses, including fees and costs for our time at the rates then in effect, as well as any legal or other fees that we incur as a result of such appearance or production of documents. These fees are in addition to the fees charged for the preparation of the returns.

If both parties are unable to resolve a dispute over fees charged by our firm, both parties agree the dispute will be submitted for resolution by arbitration in accordance with the applicable rules for resolving professional accounting and related services disputes of the American Arbitration Association, except that under all circumstances the arbitrator must follow the laws of Virginia. Such arbitration shall be binding and final. In agreeing to arbitration, we both acknowledge that, in the event of a dispute over fees each of us is giving up the right to have the dispute decided in a court of law before a judge or jury and instead we are accepting the use of arbitration for resolution. The prevailing party shall be entitled to an award of reasonable attorneys' fees and costs incurred in connection with the arbitration of the dispute in an amount to be determined by the arbitrator.

Electronic Filing

The Internal Revenue Service and states have an electronic filing mandate. We will prepare your returns for electronic filing unless you request otherwise. We are unable to submit income tax returns until we have received all required electronic filing authorizations signed by you. We will not be responsible for interest and penalties assessed for late filed returns when electronic filing authorizations have not been received by the applicable due date of the returns.

STEPS FOR COMPLETING THE ORGANIZER (Check off as read and completed.)

- 1. Sign the engagement letter.
- 2. Complete the questionnaire in full using blue or black pen. Pencil does not scan well.
- 3. Please use the following guidelines when providing documents:
 - A) If providing paper copies, provide originals. Scans of copies are often difficult to read.
 - B) Do not add staples to documents as they must be removed prior to scanning.
 - C) If sending materials electronically, scan in black and white only at no less than 300 dpi.
- 4. If you, your spouse, and/or your dependents reported an identity theft issue to the IRS and received an Identity Protection Personal Identification Number (IP PIN), please provide your PIN notification letter for the current tax filing year. If you received an IP PIN for your prior year return, you will receive a new PIN for this year's return. Also provide any identity PINs issued by state tax authorities.
- 5. Behind Form 5D are lists for interest income, dividend income and brokerage statements. On each page, please check the box to the right of each line item to indicate that you are providing the 1099 form. Please edit each list for new and/or closed accounts. Be sure to forward <u>all</u> pages of the 1099 forms. You do not need to list income amounts if you are providing the 1099s.
- 6. We need **copies** (not originals) of any settlement documents from the purchase, sale, or refinancing of any real estate. We will make inquiries of you about the use of any "cash out" refinancing transactions to determine the deductibility of the related mortgage interest.
- 7. Automobile use For a deduction related to business use of your automobile you are required to report total mileage, total commuting mileage, and total business mileage incurred during the tax year. Please note that daily commuting to and from work is not considered business mileage. Parking at your main place of business is not deductible.
- 8. Medical expenses are only deductible to the extent your unreimbursed out of pocket expenses, including after tax insurance premiums, exceed 7.5% of your adjusted gross income. If you do not think your total unreimbursed medical expenses will exceed this amount, it is not necessary to complete the medical expense section of Form 14. In any event, please **do not forward** your medical receipts unless you need us to add up the expenses for you.
- 9. Mortgage limitations Interest on acquisition debt for a first and second residence is subject to limits depending on when the mortgage was first put in place. Please provide all Form 1098s for any mortgage interest paid. Interest deductibility may be subject to further limitations if used for purposes other than home acquisition or improvements.
- 10. Charitable contributions (also see explanation on Organizer Form 15): You do not need to send receipts to us, but you must keep your receipts in your records to support your deduction.

Cash gifts: All gifts of money (by cash or check) may be deducted only if supported by a bank record, credit card statement or a written acknowledgement from the donee organization. Furthermore, all contributions of \$250 or more must be substantiated by a written acknowledgment from the donee organization which you must have prior to filing your returns. Any qualified charitable distribution (QCD) from an IRA requires similar written acknowledgement from the charity.

Non-Cash Gifts >\$5,000 (except publicly traded securities): A qualified appraisal is required to substantiate the value of the property. IRS Form 8283, page 2, signed by the appraiser and the donee, is required to be attached to the donor's tax return.

Non-Cash Gifts >\$500 in total: You are required to provide a complete address for the donee organization. Please be sure to complete Organizer Form 15 in full for each donee organization.

- 11. Miscellaneous itemized deductions These deductions are not deductible on your 2022 Form 1040, therefore, the relevant pages in the organizer are not provided.
- 12. Estimated tax payments Complete all detail on Forms 20 & 20A of the Organizer. Please do not write "paid per instructions", etc.
- 13. Please provide your travel schedule through April 15, so we may anticipate your needs.
